

STRATUM AI

Operations, automated layer by layer. — Built by **kingscottishDEV** · N.A.S — Nexus Audit Security

We run the repetitive 80% of your operations — answering calls, booking appointments, qualifying leads, matching invoices — automatically, 24/7, plugged into the tools you already use.

■ Stratum Care — Clinics

- Every call/text answered in **<30s**, 24/7
- Books straight into your calendar/PMS
- Insurance collected & verified pre-visit
- Reminders: **21%** → **9%** no-shows in 60 days
- 38 front-desk hours saved / month

■ Stratum Realty — Brokerages

- Every lead scored **0-100 in seconds**
- Hot leads alerted **<5 min**, even at 2am
- Viewings booked on agent calendars
- 486 leads scored, **214 showings**/mo
- 52 agent hours saved / month

■ Stratum Freight — Logistics

- Every invoice matched to contract + POD
- Disputes filed in **24h**, not 6 weeks
- Exceptions detected before customers call
- **\$38k** overcharges caught in year one
- 62% of exceptions auto-resolved

Who it's for

Owner-operated clinics & practices, 2-10 chairs; brokerages & teams, 3-30 agents; freight brokers, 3PLs & fleets processing 500+ invoices/mo.

How it goes live

1) **Connect** — wire your stack · 2) **Tune** — replay your real data · 3) **Shadow** → **live** — humans approve for 48h, then automate. Live in **2-4 weeks**.

Why it's safe

AES-256-GCM encryption at rest · JWT auth · full audit trails · no hardcoded secrets · DPA/BAA ready · **bring your own AI model** — no lock-in.

Pricing Implementation \$3.5k–\$15k one-time · Platform \$750–\$4,500/mo · **Payback** ≤ 3 months

Next step Free mini-audit on YOUR data — missed calls, stale leads or 50 invoices. You keep the findings either way.
